

Encourage creativity with hands on learning

Makerspace

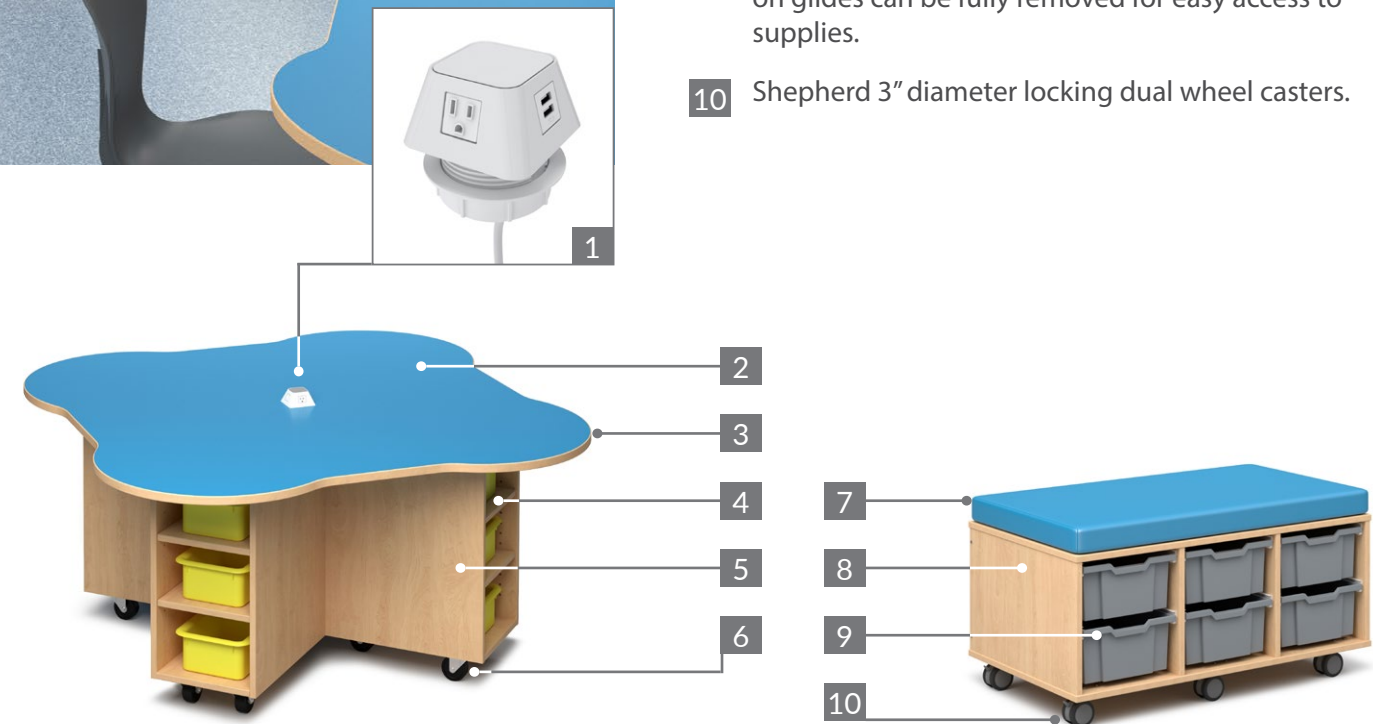

## Specifications

- 1 Top mounted electrical power supply included, with 2 outlets and 4 USB ports. 72" power cord.
- 2 Table top cores are 1" thick particleboard with a .05" thick, horizontal grade high pressure laminate top surface and a balancing backer sheet.
- 3 All edges are 3mm PVC edge band with machine application (Not hand applied). PVC is eased to a 1/8" radius to remove sharp edges.
- 4 Shelves are constructed of 3/4" thick veneer cores with .05" thick, horizontal grade, high pressure laminates on top and bottom.
- 5 Side panels are constructed of 3/4" thick veneer cores with .05" thick, horizontal grade, high pressure laminates on both sides.
- 6 3" diameter heavy duty ball bearing casters.
- 7 3" thick, foam cushions with polyester fabric or easy-to-clean vinyl upholstery.
- 8 All panels are 3/4" thick particle board with laminate finish. Edges are banded with 3mm PVC.
- 9 12.3"W x 16.8"L x 5.9"H Premium Gratnells trays on glides can be fully removed for easy access to supplies.
- 10 Shepherd 3" diameter locking dual wheel casters.

## Makerspace

Makerspaces allow students to flex their creativity, and the furniture in these spaces should be able to accommodate this. Our mobile furniture options allow you to easily reconfigure the room depending on what is needed in that moment. Integrated power and data options allow for a wide variety of activities, tools, and materials. When a project is completed, cabinet options and storage bins help to keep your makerspace clean and organized. Students will enjoy working on their hands-on projects, while developing critical thinking and problem solving skills.

\*Plastic Bins sold separately

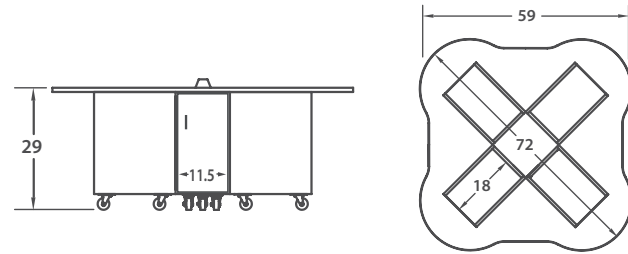

\*Gratnells Trays included

## STEM STATION

Includes locking doors and power & USB unit

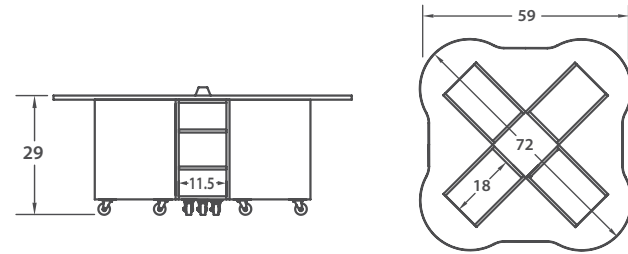

Product #	Description	Height	Width	Depth
MSS-2759-LD	27"High Mobile STEM Station w/ doors	27"	59"	59"
